AND
NATURE'S HARMONY

Our heritage is a tapestry woven from 80 years of collective wisdom in Tourism, Hospitality, and Sustainability. We've breathed new life into the historic heart of Banavasi, the ancient capital of Karnataka, transforming this UN heritage site into a beacon for community tourism.

Our legacy is a testament to our commitment to architectural rejuvenation and nature's harmony, creating a symphony that resonates with the tranquil rhythm of the natural world. Our journey is a tribute to the timeless allure of nature, and a promise of unforgettable experiences steeped in serenity and sustainability.

THE GENESIS
OF A
Vision

The journey of The Dome Retreats was born from a dream to weave luxury with nature, crafting a sanctuary amidst the verdant tapestry of Madikeri's lush rainforest.

We envisioned a new paradigm for property investment and holiday homes, one that transcends the ordinary to offer a lifestyle that nurtures the soul and honors Mother Earth.

Our venture is rooted in a deep commitment to environmental preservation and sustainable living, resonating with discerning and eco-conscious patrons across the globe.

THE
EMERALD
eden

Coorg, often called the 'Kashmir of the South', is a paradise where the verdant landscapes meet the azure skies. This enchanting region, home to The Dome Retreats, is a tapestry of lush coffee plantations, misty hills, and dense forests, offering a serene retreat from the hustle and bustle of city life.

Coorg's rich history, diverse flora and fauna, and captivating scenic beauty make it an ideal location for our Dome Villas. Here, you can immerse yourself in nature's grandeur, breathe in the aroma of fresh coffee, and let the soothing whispers of the wind rejuvenate your senses.

Experience the magic of Coorg with The Dome Retreats, your home in a dome amidst the emerald Eden.

Madikeri:

THE SCOTLAND
OF INDIA

Discover the abundance of nature at Madikeri, the heart of The Dome Retreats. Our ongoing ecosystem observation reveals a vibrant tapestry of life, with over 40 bird species, 20 dragonfly varieties, enchanting butterflies, intriguing insects, and even carnivorous plants like Sundew and Bladderwort.

This rich biodiversity is a testament to the lush, unspoiled landscapes that surround our Dome Villas. Here, you can slow down, embrace stillness, and find solace in the backyard of your dome home, surrounded by flourishing flora and diverse fauna.

Experience the magic of Madikeri, often referred to as the 'Scotland of India', through the lens of The Dome Retreats - your tranquil sanctuary nestled in nature's grandeur.

Nestled between the renowned Club Mahindra and The Taj Madikeri, and in close proximity to the Golf Downs Madikeri, The Dome Retreats is a hidden gem amidst well-known landmarks.

Beyond the familiar, discover uncharted beauty in the nearby locales. Our project is a haven of natural wonders, boasting a seasonal mini waterfall, two serene streams, and a tranquil central pond.

A NEW ERA *unveiled*

Experience a unique blend of luxury and nature with our beautifully designed dome homes, specifically designed for those seeking a distinctive living space, a peaceful retreat, or a smart investment opportunity.

Our eco-conscious dome homes offer an incomparable opportunity for:

Individuals who are seeking a unique and inspiring second home that doubles as a tranquil workspace.

Families or groups of friends looking for a peaceful and serene holiday retreat, away from the hustle and bustle of everyday life.

Astute investors who wish to acquire a property that not only appreciates in value but also offers the potential for lucrative rental income.

Choose from a spacious 6-bedroom or a more compact 4-bedroom dome home, each set amidst the privacy of your own half-acre of lush rainforest. Upgrade your personal paradise by adding a Jacuzzi or an Infinity pool, a cozy campfire area, and inviting gazebos adorned with swings and hammocks.

In addition, you'll receive a detailed Ecology report of your plot's local flora and fauna, encouraging a deeper understanding and appreciation of the rich biodiversity surrounding your home.

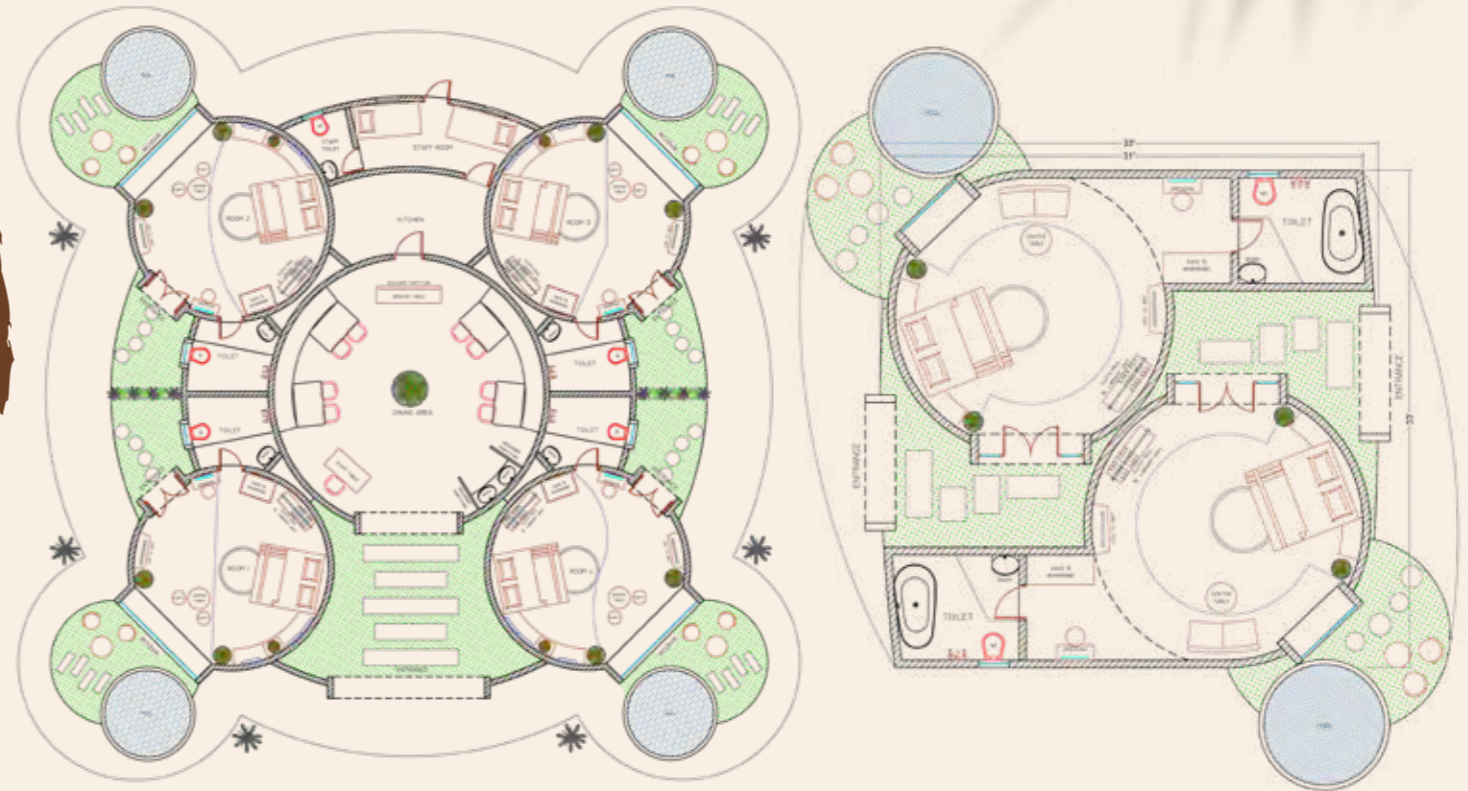

Invest in your own eco-conscious vacation home today, with prices from 2 cr. This is not just an investment in a property; it's an investment in a lifestyle and a sustainable future.

Limited selection of 3 bedroom Resort homes available in quarter acre starting from 1.2 cr

THE TIMELESS ALLURE OF *Domes*

Domes, the architectural marvels of stability and durability, encapsulate vast spaces with minimal materials. Resistant to high winds and earthquakes, their aerodynamic form and energy efficiency make them ideal for diverse uses.

From spiritual centers to future space colonies, their inherent structural stability is universally recognized. Eco-friendly and compliant with Vaastu principles, domes stand as the harmonious blend of strength, sustainability, and elegance, truly the structure of the future.

Biophilic HARMONY

Uniting You with Nature's Serene Symphony

At The Dome Retreats, we weave the principles of biophilic design into our fabric, curating spaces that nurture a profound bond with nature.

By integrating natural elements, patterns, and materials, we invite you to bask in the tranquility and serenity that stems from being in sync with nature's rhythm.
